

Before

- Made the table smaller by taking out extension.
- Removed three chairs, leaving just the four chairs placed around the table.
- Cleared the buffet of most of the accessories and moved it under the mirror.
- Removed sconces on the left wall.
- Removed plant from the top of the china cabinet.
- Added 7 foot tree to soften room and bring in more greenery.
- Pulled the drapes back as far as they would go to allow the view to be more of a focal point.

After
